**DECLARATION OF
NON EXISTANCE OF APPROVED FEE STRUCTURE**

I the undersigned has declare that Eklavya Model Residential School (EMRS) are established, managed and controlled both administrative & financial in nature by Ministry of Tribal Affairs, Govt. of India by creating a statutory body called National Education Society for Tribal Students (NESTS) with a view to foster education to the Tribal Students (FREE EDUCATION) throughout India. It is completely a Non Profit making Institution. All the recurring and non recurring expenditure are borne by Govt. of India. Henceforth there is no Approved Fee Structure for the Students studying in this Institution.

This is completely true as per best of my knowledge.
